

Latency Recording Form

Student:

Date:

Class/ Teacher:

Observer:

Behavior:

Time of request or cue (start stopwatch)	Time behavior was initiated (end stopwatch)	Latency
<i>Ex: 11:30:02</i>	<i>11:35:22</i>	<i>5:20 or 5 min., 20 sec.</i>

Additional comments:

Note: Latency is the length of time that passes from the time the behavior was requested or cued until the time the student initiates the behavior.
